

# **COMMUNITY COLLEGE OF VERMONT**

## **TUITION AND FEES POLICY**

**December 17, 1993**  
**Revised October 20, 2011**

**Page 1 of 1**

### **POLICY**

Community College of Vermont is an open admissions, non-residential, public college providing affordable education each semester at 12 locations statewide and online. Tuition and fees account for over 80% of CCV's operation revenue.

### **PROCEDURES**

1. Tuition levels are set annually by the Vermont State Colleges Board of Trustees and are charged on a per credit basis for credit-bearing courses.
2. Fee levels are set annually by the president of the college in accordance with Vermont State Colleges' guidelines and include a non-refundable registration fee, independent study, field experience, course-specific fees and graduations fees.
3. Additional fees may be assigned when deemed appropriate by the college.
4. For non-credit training, special offerings, or contracted courses, the college reserves the right to set all fees and/or costs as it deems appropriate.
